Principal's desk

Dr. B.S. Prasad
Principal,
SSIMS & RC,
Davangere

On behalf of SSIMS & RC, Davangere, I would like to convey my heartfelt tribute to Late Dr. Sri. Shamanuru Shivashankarappaji, Honorary Secretary, BEA, MLA, Davangere South. It is unbearable loss to all of us.

The legacy of Late Dr. Sri. Shamanuru Shivashankarappaji will live on in the countless lives he has touched. We are living in loving memory of a beautiful soul who left us too soon.

My sincere thanks to our patrons, Sri. S. S. Mallikarjun, Chairman, SSIMS & RC, Davangere and Dr. Prabha Mallikarjun, Member of Parliament, Davangere constituency for their immense support for all our activities.

My sincere thanks to our patrons to start of S. S. Institute of Agricultural and Horticultural Sciences in our campus.

I congratulate all the newly joined 1st MBBS students of 2026 - 27 batch and all the newly admitted post-graduates of our college.

Congratulates to the student union AROHA-2025 for successfully conducting Kannada Rajyotsava, Sports activities, participating RGUHS sports events and RGUHS drug awareness & Organ donation awareness Walkathon.

I thank all the faculty of our college for hosting various academic activities such as Research activities, CMEs, Conferences, workshops, SS Care Trust activities and other training programmes and contributing for this issue.

I thank to all the dedicated editors and co-editors to bring this colourful SSIMS-TIMES October-December 2025 issue successfully.

Editor's desk

Dr. Dattatreya K.
Prof. and Head of Dept.
Biochemistry

My my heartfelt tribute to Late Dr. Sri. Shamanuru Shivashankarappaji, Honorary Secretary, BEA, MLA, Davangere South.

It is my immense pleasure to bring out SSIMS-TIMES October-December 2025 issue, the official quarterly news bulletin of SSIMS & RC, Davangere.

I thank all the esteemed contributors for this issue and the team of editorial board for their hard work and their constant support to bring out this issue successfully.

CME on "Renal Pathology Revisited- Non-neoplastic perspective"

Department of Pathology conducted CME on 22.11.2025 on "Renal Pathology Revisited- Non-neoplastic perspective" in skill lab of college block. The guest speaker for the CME was Dr. Ranjana S Ranade, Associate Professor from JGMME KLE Hubli. Chief Guest was Dr. H R Chandrashekhar, Professor, former HOD of Pathology, J.J.M. Medical College, Davangere

Dr. Shashikala P & Medical director Dr. Arunkumar Ajjappa graced the inaugural function.

Dr. Neetha Y & Dr. Minakshi S Ninale were organising secretaries of the CME. Dr. Minakshi S. N gave welcome speech. Dr. Rajashree K delivered vote of thanks. 84 Participants /delegates attended the CME. Dr. Ranjana Ranade gave very insightful talk about renal pathology followed by slide seminar in the afternoon.

Conducted quiz for postgraduates & distributed prizes for winners. It was a successful CME. KMC had credited 2 hours for the same.

Attended Conference :

73rd Annual Conference of IAPM & IAP -ID was held at GMC, Jammu organised by Department of Pathology on 3/12/2025 to 07/12/2025:

The following post graduates attended APCON 2025 and presented the papers.

Author	Topic
Dr. Khushwiniderjit Sigh Sran	"Bridging the Gap: Using Artificial Intelligence to Make Histopathology Reports Comprehensible to Non - Medical Individuals".
Dr. Mouparna Chakraborty	"Artificial Intelligence in Hematology : Evaluating a Large Language Model for Morphology - Based Diagnostics."

Department of Pharmacology

Summary of reported ADRs and reported drugs from the month of OCTOBER 2025 to DECEMBER 2025

This analysis is based on the reported ADRs from the month of OCTOBER 2025 to DECEMBER 2025. Total 13 patient's reports were collected and analyzed from different departments of the Institution (Figure 1).

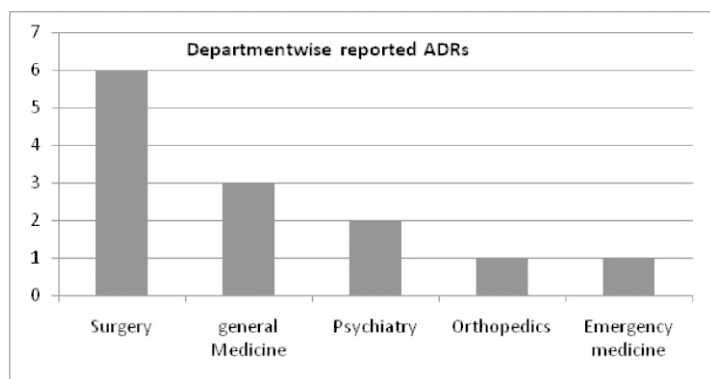

Figure 1: Department wise reported ADRs

The ADRs were categorized according to WHO's System Organ Class Classification. The profiles of drugs are given in the Figure 2.

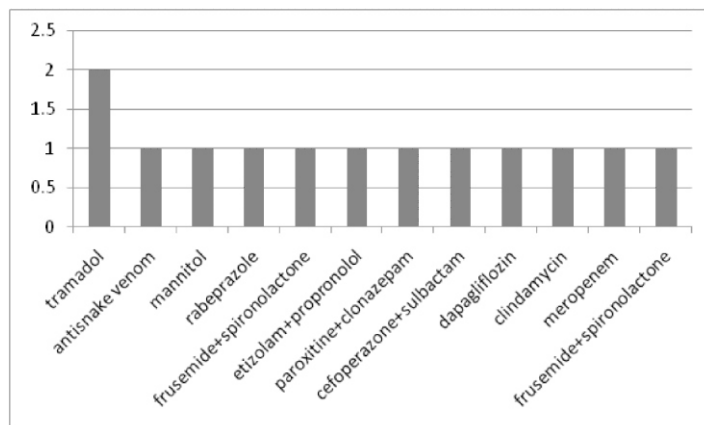

Figure 2: ADRs profile of reported drug

Out of 35 drugs, most commonly observed Adverse Drug Reactions were related to metabolic impairment (25%), skin and appendages disorders (20%), hematological (20%) gastrointestinal (14%), , cardiovascular (11%), CNS and urinary events. Table 1.

Skin & appendages disorders	Cefaperezone+sulbactum, Antsnake venom, Etizolam+propranolol, Paroxetine+clonazepam, meropenem
Cardiovascular disorders	Clindamycin
Gastro-intestinal system disorders	Tramadol Rabeprazole
Metabolic impairment	Mannitol, Frusemide Frusemide+spironolactone
Respiratory	Tramadol
Urinary side effects	Dapagliflozin

Table 1: List of Adverse Drug Reactions categorized according to WHO's System Organ Class Classification

Awareness programme on ADR reporting & Causality assessment was conducted to Pharm-D Interns by Dr. Pradeep B E & Dr Shilpa B N on 11.12.2025 at department of Pharmacology, SSIMS & RC.

Awareness on yoga for agriculture students

S. S Institute of Medical Sciences & Research Centre (SSIMS&RC) organized an enlightening guest lecture for BSc Agriculture students on December 2, 2025. Dr. Raghu Prasada MS, Professor in the Department of Pharmacology, SSIMS&RC, delivered an engaging session on "Yoga for Agriculture Students."

Dr. Prasada emphasized the critical importance of physical and mental wellness for agriculture students who face unique challenges including prolonged fieldwork, exposure to environmental stressors, and demanding academic schedules. He introduced specific yoga asanas and breathing techniques designed to enhance stamina, improve posture, reduce stress, and promote overall wellbeing. The lecture highlighted how incorporating yoga into daily routines can help agriculture professionals maintain resilience and productivity throughout their careers. Students actively participated in the session, showing keen interest in adopting these wellness practices.

CME for NIMA

Dr. Raghu Prasada MS, Professor in the Department of Pharmacology at SSIMS&RC, was invited as a guest lecturer by the National Integrated Medical Association on October 30th, 2025. The session was on the critical topic "Diagnosis and Treatment of Acute Respiratory Illness in Primary Care," The lecture focused on essential diagnostic approaches and evidence-based treatment protocols for managing acute respiratory illnesses at the primary care level. The presentation emphasized practical strategies that healthcare providers can implement to improve patient outcomes and ensure timely intervention in respiratory emergencies. The session was well-received by attending professionals, who gained valuable insights into contemporary approaches to respiratory illness management in primary care settings.

KSMPCON 9-11 Nov 2025

KSMPCON 2025. (3 rd National conference of Karnataka Society Of Medical Pharmacologist Conference)

Dr. Raghu Prasada MS, Professor in the Department of Pharmacology at SS Institute of Medical Sciences & R C; Research Centre (SSIMS & RC), served as a judge for the poster presentation session at the Karnataka State Medical Pharmacology Conference (KSMPCON) 2025. The three-day conference, held from November 6-8, brought together pharmacology experts, researchers, and students from across Karnataka to share innovative research and advances in medical pharmacology. As a judge for cutting-edge research projects, assessing their scientific merit, methodology, and potential clinical applications was an honorable learning experience.

Guest Lecturer in MBA College 11th Nov 2025

Dr. Raghu Prasada MS, Professor in the Department of Pharmacology at SSIMS & RC, was invited at Bapuji B school, as a guest lecturer on November 11, 2025, to share his insights on the vital topic of "Wellness for Success."

The session drew considerable interest from students, faculty, and healthcare professionals eager to understand the intricate connection between personal wellness and professional achievement. holistic well-being-encompassing physical, mental, and emotional health-serves as the foundation for sustained success in medical education and clinical practice.

The presentation emphasized practical strategies for maintaining work-life balance, managing academic stress, and cultivating resilience in demanding healthcare environments. The session highlighted the importance of mindfulness, proper nutrition, regular exercise, and adequate rest as essential components of a successful medical career.

Department of Community Medicine

1. Dr Aswin Kumar Prof and Head participated in workshop Jeevaraksha-Comprehensive Emergency Care and life support from 7th to 11th October and certified as c ECLS Instructor.

2. Dr Rakesh J Asso Prof. attended a training on implementation and strengthening of palliative care in CBME Curriculum at RGUHS, Bangalore on 9th Oct 2025.

3. Dr Asha B Prof, served as a resource person for the faculty development program conducted by the school of Physiotherapy, Sri Balaji Vidyapeth Puducherry and delivered a lecture on Overview of Systematic Review and meta-analysis on 17th Oct 2025.

4. Dr Aswin Kumar Prof and Head participated as instructor c ECLS workshop for 2 batches of interns on 27th to 31st Oct 2025 and 17th to 21st Nov 2025 at SSIMS & RC.

5. Dr Asha B, Professor of Community Medicine, SSIMSRC, Davanagere, was a resource person for the

pre-conference workshop on "Exploring Associations and Predictions: Statistical Approach with Correlation and Regression" on 20th Nov 2025. It was organized by Department of Community Medicine, GIMS, Kalaburagi, a part of the 35th KACHCON State Conference.

6. Dr Asha B, Dr Rakesh J, Dr Muhammad M G attended and presented an oral scientific paper at the 35th KACHCON State Conference, organized by Department of Community Medicine, Gulbarga Institute of Medical Sciences, Kalaburagi on 21st -22nd Nov 2025

7. Dr Chandrashekar and Dr Anshul Singh, Postgraduate students attended the pre-conference workshop on "Operational Research in Health System" on 20th Nov 2025 and also presented poster presentation during the 35th annual State Conference of KACH on 21st and 22nd at GIMS Kalaburagi.

8. Dr. Asha B, Professor of Community Medicine, SSIMSRC, Davanagere, served as a Resource Person for one-day hands-on workshop titled "Research Smarter: Practical AI for Medical Researchers", organized by the Department of Medical Research, SRM Faculty of Medicine and Health Sciences, Chennai, in collaboration with Wolters Kluwer, on 15th December 2025. The programme was attended by faculty members, PhD scholars, and postgraduate students.

9. Dr. Asha B, Professor of Community Medicine, SSIMSRC, Davanagere, served as a Resource Person for the workshop titled "Educational Research in Health Science: From Basics to AI", organized by KLE's JGMMC, Hubballi, on 19 December 2025.

10. Dr Vijay S. Asst Prof, supervised pulse polio programme at UHC Bashanagar on 23rd Dec 2025.

11. A two day virtual session on Climate change on Human Health was conducted on 30th and 31st December in co-ordination with NPCCHH, RGUHS and UNICEF for undergraduate and postgraduate students. Over 300 students and 20 post graduate students, faculty attended the sessions.

Department of Ophthalmology

Department of Ophthalmology, SSIMS & RC in association with JJMMC under the aegis of Davanagere Ophthalmic Society hosted the State level Ophthalmology conference - KOSCON-2025 on 14th to 16th November 2025 in Davanagere.

The faculty and postgraduate students participated in various presentations and achieved awards in Karnataka state level conference.

Scientific Sessions In Karnataka State Level Conference-KOSCON-2025.

1. Dr. Ajay S Hatti, Professor & Head of the Department,
 - a) Judge for "SURGICAL BYTES" academic session.
 - b) Judge for Medical retina and Uvea free paper.
2. Dr. Renuka Barki, Professor
 - a) Judge for "Paediatric Ophthalmology and Squint -PG paper" session.
 - b) Co-Chair person for a discussion on "PAEDIATRIC REFRACTION-the Paediatric vision play book.
 - c) Team mentor in "Teachers of Tomorrow" for the team RENUKA'S ROCKSTARS.
 - d) Presented a poster "Posterior push, Anterior trap: A rare angle closure glaucoma reversed by mydriasis" which won KOS Best poster presentation in Glaucoma category.
 - e) Presented a paper on "Living in the blur: a Clinico-epidemiological study on patients presenting with Low Vision "
3. Dr. Jyothi V, Associate Professor, judged the PG Glaucoma free paper session.
4. Dr. Bhramaramba Banagar, Assistant professor
 - a) Judged the PG Glaucoma free paper
 - b) Chair person for "Minimal invasive glaucoma surgery " academic session
5. Dr. Preeti S, Assistant professor, Judged the Medical retina and Uvea free paper session

Paper & Poster Presentation by Post-graduate students

Department of Anaesthesia

1. World Anesthesia Day :

World anaesthesia day observed on 16th October commemorates the first successful use of ether in anaesthesia in 1846. The day honours an anesthesiologist in their pivotal role in ensuring pain-free surgery, patient safety, and high quality critical care. It also highlights their indispensable contribution to preoperative medicine, emergency care and intensive care services.

World anaesthesia day was organised by Indian Society of Anesthesiologists (ISA), Davangere branch, in association with the department of anaesthesia, SSIMS&RC, and JJM Medical College, Davangere

2. 72nd NATIONAL ISA CONFERENCE, RAIPUR.

Dr Sagar Majigoudar, Professor, participated as a faculty in 72nd National ISA conference, Raipur and delivered lecture on "Complex Regional Pain Syndrome".

3. HANDS ON ULTRASOUND GUIDED WORKSHOP ON CHRONIC PAIN:

A hands-on workshop on Ultrasound Guided Workshop on Chronic Pain was conducted in Basaveshwara Medical College and Hospital, Chitradurga on 14-12-2025.

Workshop faculty were Dr. Sagar S M(Professor), Dr. Mamatha H K(Professor), Dr. Lakshmi K V (Assistant Professor) and attended by Dr. Rajeshwari, Dr. Selvalakshmi, Dr Deepa, Dr Sharath, Dr. Ganesh (Post Graduate)

Department of Dermatology

Attended conference

1. Dr. Manjunath Hulmani, Professor & HOD, Dept of Dermatology, participated as chairperson on - "Types of alopecia in females" in the conference "CUTICON KARNATAKA 2025", held on 21st to 23rd November - 2025 at Kalaburagi

2. Dr. Manjunath Hulmani, Professor & HOD, Dept of Dermatology, Moderator for panel discussion on Generalized pruritus in an elderly " in the conference ""CUTICON KARNATAKA 2025", held on 21st to 23rd November -2025 at Kalaburagi.

3. Dr. Manjunath Hulmani , Professor & HOD, Dr. Priyanka P, Dr. Jaswitha, Dr. Manisha M, Dr. Nayana Prajna, Postgraduate students, department of Dermatology has participated as delegate in the conference "CUTICON KARNATAKA 2025", held on 21st to 23rd November -2025 at Kalaburagi.

4. Dr. Priyanka P, Dr. Jaswitha, Dr. Manisha M, ,Postgraduate students, department of Dermatology has participated as delegate in "National PGCON 2025", held on 19th & 20th December - 2025 at BMC Bangalore.

Dr. Manjunath Hulmani as president for IADVL-KN 2025- (Nov 2024 to Nov-2025)

It has been a privilege to serve as the **President of the Indian Association of Dermatologists, Venereologists and Leprologists (IADVL) from November 2024 to November 2025**. During this tenure, my sincere efforts were directed towards strengthening academic engagement, professional excellence, and social responsibility through initiatives such as Chalo Pathshala, Skinathon, Quizzathon, and Synergy, along with the SIG Summit and focused workshops on acne and lasers. I was also honored to moderate the panel discussion on the management of pruritus in the elderly, which enabled meaningful academic exchange on an important clinical issue.

Community outreach and ethical dermatological practice remained central to my vision, reflected in the conduct of World Record Skin Health Camps and the nationwide "Quackery Mukht Bharat" campaign. I remain deeply grateful to the Executive Committee, office bearers, and IADVL members for their unwavering support and collaboration, which made these endeavors possible and immensely fulfilling. I am grateful for the support and encouragement provided by SSIMS institution management and all the staff.

Department of Psychiatry

1) World Mental Health Day was observed on October 10, 2025, at SSIMS & RC The program was presided over by Dr. B. S. Prasad, Principal, SSIMS & RC, who stressed the importance of seeking early help and warned that delays can be harmful.

The event was inaugurated by Dr. Vani, Principal of SS College of Physiotherapy, and attended by patients and nursing students. Dr. Mruthyunjaya N., Professor and Head, Department of Psychiatry, spoke on changing perspectives in psychiatry and their relevance in today's world. Dr. Asha H. N., Clinical Psychologist, SSIMS & RC, highlighted the role of counseling and psychological well-being. Dr. Manjunath B. K., Assistant Professor, focused on early identification and intervention, while Dr. Lakshmi N. G., 3rd-year PG, addressed common mental health misconceptions and stigma. As part of the awareness drive, informative brochures detailing modern approaches and evolving perspectives in psychiatry were distributed throughout the hospital.

2) A Talk on stress management was conducted on 10 December 2025 by SS College of Nursing for the newly admitted nursing students. The session was delivered by Dr. Asha H. N. and Dr. Mruthyunjaya N., and was presided over by the Principal SSINS. The speakers discussed various types of stress and offered practical strategies to cope with the transition from school to college life.

Department of Pulmonary Medicine

Dr. Harikrishna P.A, Dr. Aiswarya G Nath, Dr. Gunalan. B (Third year postgraduate students) attended and presented a poster at the National Conference-NAPCON held at Jaipur from 13th to 16th November 2025.

Department of Urology

A major academic highlight was the successful conduct of the KUA Mock Examination on 28th September 2025. The mock exam attracted approximately 70 postgraduate candidates from various medical institutions across Karnataka, demonstrating its wide reach and academic relevance. The program was graced by esteemed examiners from different parts of the country, whose vast experience and academic guidance played a crucial role in making the event a grand success. The mock examination was designed strictly along the RGUHS university examination pattern, encompassing long and short clinical cases, specimens, uro-radiology, and spotters, thereby providing candidates with a realistic and comprehensive examination experience. The overall response from the participants was highly positive, with candidates appreciating the structured format, academic rigor, and constructive feedback.

In a significant professional achievement for the department, Dr. Naveen H. N., Professor and Head of the Department of Urology, was elevated to the post of President of the Karnataka Urology Association (KUA) during the state conference KUACON 2025, held at Mysore on 31st October, 1st and 2nd November 2025. This prestigious honour reflects his leadership, academic contributions, and standing in the urological fraternity, and brings great pride to the institution.

The department has also been actively involved in public health education and community outreach through mass media.

Dr. Karthik U. S., Associate Professor, delivered an informative talk on Kidney diseases at All India Radio, Chitradurga, on 23rd October 2025, during which he also interacted with callers and addressed public queries. Further strengthening public awareness initiatives, Dr. Naveen H. N. Professor and Head of the Department of Urology, delivered a talk on Urolithiasis at All India Radio, Chitradurga, on 25th December 2025, engaging in an interactive session with callers from various places and addressing common concerns related to urinary stone disease.

Dr. Naveen H. N. Professor and Head of the Department of Urology, presented a topic on How to manage Employees salaries, increments, Attrition, in Association of Southern Urologists(SZ-USI), webinar which was held on 7th January 2025. The theme was A_Z, Private Practitioners Problems.

Dr Naveen HN, Prof and HOD, Department of Urology, taking charge as President of Karnataka Urology Association (KUA), on November 2nd 2025, at State level Urology conference held at Mysore.

**S.S.INSTITUTE OF NURSING SCIENCES****Workshop on Innovative Teaching and Learning Techniques**

A zonal level workshop on critical thinking & Clinical decision-making skills in Nursing was organized by the 2nd year M.sc. Nursing students of Bapuji College of nursing and S.S. institute of Nursing sciences, davanagere, under Bapuji Educational Association (Regd.) on 22-11-2025 at Lecture Theatre-3, SSIMS & RC, Davanagere.

The programme commenced with a welcome address followed by technical sessions, and was attended by faculty members and B.Sc. and M.Sc. Nursing students from both institutions. The Chief Guest, Dr. Arun Kumar Ajjappa, Medical Director, SSIMS & RC, highlighted the importance of critical thinking, evidence-based practice, and effective clinical decision-making in patient care. Presidential addresses were delivered by Sri. Harsha K.M., Principal, Bapuji College of Nursing, and Sri. Veeresha V.B., Principal, S.S. Institute of Nursing Sciences.

Guest Lecture on Stress Management & Guidance for Freshers

S.S. Institute of Nursing Sciences organized a Guest Lecture on Stress Management and Guidance for First-Year B.Sc. Nursing and GNM students of the 2025-26 batch to support freshers in their transition to professional nursing education. The programme began with a Green Inauguration symbolizing growth and positivity.

The event was graced by Dr. Asha H.N., Psychiatric Social Worker, Department of Psychiatry, SSIMS & RC, as Chief Guest, and Dr. Mruthyunjaya N., Associate Professor, Department of Psychiatry, SSIMS & RC, as Guest of Honour. The programme was presided over by Prof. Veeresha V.B., Principal, SSINS, Davanagere.

Dr. Mruthyunjaya N. delivered an insightful session on understanding stress, its causes, and practical stress-management strategies. Dr. Asha H.N. motivated students to maintain balance in academics and personal life and to seek guidance when needed. The programme was anchored by Mrs. Ambika M.S., Lecturer, Department of Paediatric Nursing. The session concluded on a positive note, reinforcing the institution's commitment to students' mental wellbeing and holistic development.

The Valedictory Programme of Sports and Cultural Meet 2025-26

The Valedictory Programme of Sports and Cultural Meet 2025-26 was successfully conducted by S.S. Institute of Nursing Sciences, Davanagere, under the guidance of Bapuji Educational Association (Regd.) on 18th October 2025 at the Open Stage behind LT-3, SSINS. The programme began with an invocation song and welcome address. The event was graced by esteemed Chief Patrons and dignitaries, with Dr. Muganagowda Patil, Professor and HOD, Department of Pediatrics, JJM Medical College, Davanagere, as the Chief Guest, who emphasized the importance of sports and cultural activities in students' overall development.

The programme was presided over by Prof. Veeresha V.B., Principal, SSINS, Davanagere, and hosted by Mrs. Roopa D., Lecturer, Department of OBG. Prize distribution was conducted to honor winners of various events, followed by a vote of thanks. The valedictory programme concluded successfully on a joyful and memorable note.
